

INTERACTIVE VOICE RESPONSE (IVR)

USING THE IVR SYSTEM

This manual is designed to help you navigate through Abri’s Interactive Voice Response (IVR) system. Through IVR you will be able to verify member eligibility, receive primary insurance carrier information, Primary Care Physician name, and confirm the status of a claim. The IVR system will allow you to submit a request to refer your patient to another provider, request authorization to provide a service, and check the status of a referral or pre- authorization.

IVR Access Telephone Number: 414.847.1790

IMPORTANT - You should always have the following information available prior to calling the IVR system:

1. Your Wisconsin Medicaid ID assigned provider number
2. Your Abri Health Plan assigned provider number
3. Your Abri Health Plan assigned IVR access code
4. Your patient’s 10 digit Wisconsin interChange member identification number

Use the area below to write in your provider information:

Provider Name	Wisconsin Medicaid ID Provider Number	Abri Health Plan Provider Number	Abri Health Plan IVR Access Code

You should have received or will receive a letter that lists your Wisconsin Medicaid ID provider number, Abri assigned provider number, and Abri IVR access code. The Abri assigned provider number is also available in the Abri Health Plan Provider Directory. You may contact Abri’s Customer Service Department at 414.847.1776 or 888.999.2404 and request your Abri assigned provider number and IVR access code via mail, fax or email.

The member’s Medicaid FORWARD / ForwardHealth card includes their 10 digit Wisconsin interChange member identification number.

AT ANY POINT DURING A CALL YOU MAY:

1. **Press Zero (0)** to speak with a customer service representative
2. **Press the Pound (#) Key** to return to the previous or main menu
3. **Press the Star (*) Key** to end a call
4. **Skip the message or prompt** by keying in the required information

PROVIDER PRESSED 1

REFERRAL REQUEST

NOTE: This function is not available to APS Providers.

Abri requires a provider (in most cases a primary care physician) to submit a request to the health plan if he/she wishes to refer his/her patient to another provider (in most cases a specialist). This provider is then considered the "Referring To" provider. To obtain the "Referring To" Abri Health Plan assigned provider number, please refer to the Abri Health Plan Provider directory or visit the Abri website at www.abrihealthplan.com.

At the end of this user manual section, is a **request template** that will walk you through all the prompts for submitting a referral. Fill in the **request template** prior to calling the IVR system and file it in your patient's medical chart when complete. The IVR system will read back the referral number assigned to your request, please write it down on the **request template**. If at any time the IVR system is not in operation you may fax the completed **request template** to Abri at 414.771.1159 for processing.

The referral number assigned to your request will be faxed back you – remember to include your fax number on the **request template**.

Prompt: Enter the "Referring To" 7 digit Abri provider number

To respond to this prompt use the Abri assigned provider number – refer to Abri provider directory or website. The system will validate your entry. You will be allowed 2 attempts before being asked to try again later.

Prompt: Enter a Primary Diagnosis Code, DO NOT enter a decimal point

To respond to this prompt you will be required to enter an ICD-9 diagnosis code. You must enter a valid diagnosis code. For example, the diagnosis code for a headache is **784.0** and should be entered as **7840**. The system will validate your entry. You will be allowed 2 attempts before you are asked to try again later.

Prompt: Enter a Start Date in 2 digit month, 2 digit day, and 4 digit year format

To respond to this prompt you will be required to enter a Start date for the referral. For example date "**January 6, 2006**" should be entered as **01062006**.

Prompt: Enter an End Date in 2 digit month, 2 digit day, and 4 digit year format

To respond to this prompt you will be required to enter an End date for the referral. For example date "**February 6, 2006**" should be entered as **02062006**.

Prompt: Enter the Number of Service Units

To respond to this prompt you will be required to enter the number of office consultations and/or treatment visits. You must enter at minimum 1 numeric digit and at maximum 2 numeric digits. For example four physical therapy visits should be entered as "**4**".

Prompt: Enter the Request Type

To respond to this prompt you will be required to enter a 2 digit numeric code to confirm your entry of a **referral = 01**.

After all the information has been entered and validated, the system will repeat the data elements for your confirmation. You will then be given the following options:

Prompt: To Submit this Request for Processing **Press 1**
A pre-authorization number will be read back to you. Please write it down on the **request template**.

Prompt: To Re-enter the Request Information **Press 2**

Prompt: To Speak with a Customer Service Representative **Press 0**

Prompt: To End this Call **Press the Star (*) Key** or hang up

PROVIDER PRESSED 2

PRE-AUTHORIZATION REQUEST

NOTE: This function is not available to APS Providers.

If required by Abri, a provider must submit a pre-authorization to Abri if he/she wishes to render services, for example hospital stays, Home Health, DME, chiropractic, MRI, etc. At the end of this user manual section, is a **request template** that will walk you through all the prompts for submitting a pre-authorization. Fill in the **request template** prior to calling the IVR system and file it in your patient's medical chart when complete. The IVR system will read back the pre-authorization number assigned to your request, please write it down on the **request template**. If at any time the IVR system is not in operation you may fax the completed **request template** to Abri at 414.771.1159 for processing. The pre-authorization number assigned to your request will be faxed back you – remember to include your fax number on the **request template**.

Prompt: To Skip the Entry of a Procedure Code **Press 1**

Prompt: To Enter a Numeric Procedure Code **Press 2**

Prompt: To Enter a Procedure Code that Starts with a Letter **Press 3**

Prompt: To Enter a Procedure Code that Ends with a Letter **Press 4**
