BadgerCare Plus Core Plan for Childless Adults

Effective July 1, 2009, Core Plan members will now have **full coverage for Chiropractic Services** through Fee-for-Service.

Core Plan members do have coverage limited to mental health therapy services provided by a psychiatrist only. As noted below, inpatient mental health and substance abuse treatment is not a covered service.

Reproductive health services (family planning services) are provided by family planning clinics and will be covered separately under the Family Planning Waiver program.

BadgerCare Plus Core Plan has some benefit and coverage exceptions and limitation. Certain copays may apply.

These services are NOT covered under Core Plan:

- Hearing Services
- Routine Vision Services and Hardware
- Hospice Care
- Services for Children or Pregnant Women
- Inpatient mental health and substance abuse treatment services
- Non-emergency transportation
- Podiatry*
- Home Health Care*
- Nursing Home Care*
