

FOR IMMEDIATE RELEASE

Abri Health Plan, Inc. certified HMO in Kenosha County

Germantown, WI.- March 28, 2006 Abri Health Plan, Inc. (Abri) has been certified as a health maintenance organization (HMO) to provide quality care to Medicaid recipients living in Kenosha County. In addition to Kenosha County, Abri currently provides care to recipients in Milwaukee, Ozaukee, Racine, and Waukesha County. With its local presence and ownership, Abri works closely with medical and dental Providers offering excellence in service and communication allowing the Providers to work efficiently and effectively in delivering quality care. Abri is working with Kenosha Health Services Corporation for primary and specialty physician services, APS Healthcare, Inc. for behavioral healthcare services, Southeast Dental Associates (SEDA) for dental services, Herslof Optical Company, Inc. for vision services, Serve You Custom Prescription Management for pharmacy benefit services, and United Hospital System (St Catherine's Medical Center and Kenosha Medical Center) for hospital services.

Abri will operate from the offices they share with KeyLink Solutions, Inc., located in Germantown, just north of Milwaukee. KeyLink is a Third Party Administrator for self-funded employer benefit plans and developer of *Visual Claims*®, a claims management software system it licenses to other health-care payors since 1996.

Abri Health Plan, Inc. is a domestic for profit HMO.
